Tamarisk 19 arrives Tollesbury Marina!

Woodrolfe Boat Sales are pleased to present the Tamarisk 19 at Tollesbury marina in partnership with the builders North Sea Craft Ltd of Colchester and the designer David Cannell.

The Tamarisk 19 is a mix of modern design and materials yet traditional rig and sail plan. She has a large cockpit to seat 6 and a surprisingly roomy interior with 3 berths, galley and chemical toilet. Ideal for the East Coast with a lifting keel and shallow draft, the Tamarisk is quite capable of longer passages but can also be trailed.

Further information is available from Woodrolfe Boat Sales Tollesbury Marina 01621 868494 or on our website www.woodrolfe.com
